Work With Accredo to Get Patients Started on UroGen Products

STEP 1

Prescription & Enrollment

Refer a patient to Accredo through one of the following options:

- Send **eRx** through the EMR system
- **Call** 844-457-9202 to provide a verbal prescription
- **Fax** a prescription to 888-302-1028
- Complete an **enrollment form** and submit it via fax

EMR, electronic medical record; eRx, electronic prescription; NCPDP, National Council for Prescription Drug Programs; SP, specialty pharmacy.

STEP 2

SP Coordination & Support

- Accredo Patient Access Representative will conduct a **benefits verification** and initiate the **prior authorization (PA)** process if not already completed by the provider
- Once the PA is complete, Accredo will contact the patient to discuss financial responsibility and review **affordability options**, including available copay and foundation programs

STEP 3

Product Shipment

- Accredo will coordinate the **6 weekly doses** of UroGen products
- The **initial shipment** will be scheduled after verifying delivery details
- **Ongoing shipments** will be proactively scheduled through weekly outreach to ensure continuity of care and timely medication delivery
