CARDINAL HEALTH OR BESSE MEDICAL/CENCORA DISCLAIMER: Due to the detailed and thorough registration process, it may take approximately 15 business days for Cardinal Health or Besse Medical/Cencora to onboard your practice if you do not have an existing account. Once the account is established, you will be able to purchase specialty products and bill them to your Specialty Pharmaceutical Distribution (wholesale) account. You will be contacted to confirm details and complete a credit application during the account creation process. It is important for you to submit requests for additional documentation in a timely manner to avoid delays in setting up your account. Please ensure the ship-to address provided on the form aligns with the licensure provided. For existing customers, a credit review and updated financial documents may be required. Cardinal Health or Besse Medical/Cencora will provide further instructions as needed.
