

JELMYTO SCHEDULING AND ORDERING GUIDE

STEPS FOR SCHEDULING AND ORDERING JELMYTO

For customers requiring mixing services provided by a UroGen Pharmacy partner, place order through UroGen Support*

Follow these 4 simple steps to order JELMYTO through UroGen Support:

STEP 1

STEP 2

STEP 3

STEP 4

Set up a new account

(For new customers)

Complete the <u>Account Setup Form</u> and send it to Distribution@UroGenSupport.com.

Please allow approximately 15 business days for the specialty distributor to set up a new customer.

Complete and submit

the <u>Patient Enrollment form</u> for coverage determination, financial support enrollment, and product prescription.

Patient enrollment must be submitted 10 business days in advance of treatment day.

Prepare the following information before placing your first order

- Patient's name and date of birth
- Appointment date and time
- Administration delivery address and instructions
- Specialty distributor account number
- Customer PO number (if applicable)

Place your order

by contacting UroGen Support.

- [Phone: 1-855-JELMYTO (535-6986)]
- [Fax: 833-664-7216]
- [Email: contact@UroGenSupport.com]
- Go to [UroGenSupport.com]

NEW: "Auto-Ship" available now!

For customers that DO NOT require mixing services, place your orders directly through UroGen approved specialty distributors
